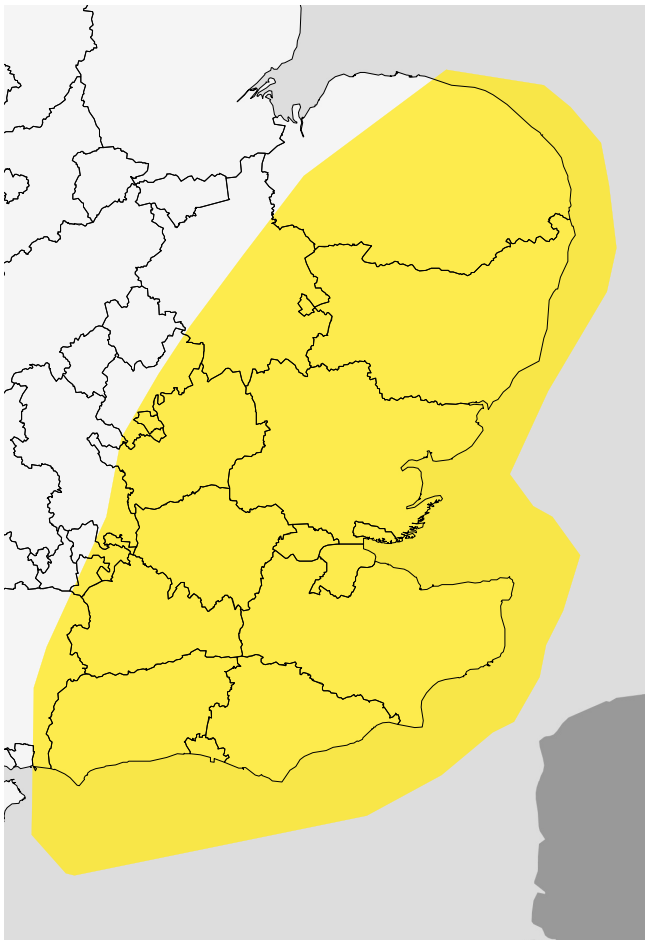
Yellow warning
Rain

Between
21:00 Thu 12 Oct 2023 and
22:00 Fri 13 Oct 2023



Heavy rain continues across the south and east of England, but should clear all areas by 10pm

What to expect

- Spray and flooding on roads probably making journey times longer
- Flooding of a few homes and businesses is possible.
- Bus and train services probably affected with journey times taking longer

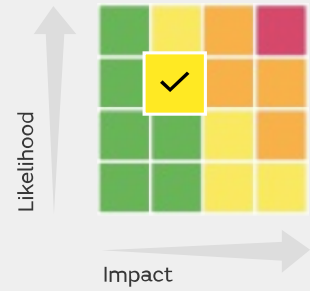
Further details

Outbreaks of heavy rain continues to affect the south and east of England. A further 10 to 20 mm is likely, with up to 30-40 mm possible in one or two spots. The odd rumble of thunder is possible as well.

This may lead to some flooding and disruption.

Reason for update

Warning has now been confined to the south and east of England, and extended until 10pm



Medium likelihood of low impacts
